Cambridge Obstetric Crisis Resource Management Course

Improving patient safety and multi-disciplinary training

...CONTENT

Do you work well in a delivery team when faced with an obstetric crisis? Would you like to do better and improve patient safety?

The Cambridge Obstetric Crisis Resource Management Simulation Course aims to prepare you for re-validation. On this course you will learn how to manage obstetric emergencies using a high fidelity computerised medical simulator and learn how to lead and work better in your team and improve patient safety,

TESTIMONY

"I expected lectures and guidelines, but instead the day focused on obstetric emergencies, teamwork and leadership training."

...AUDIENCE

This course is suitable for Anaesthetic and Obstetric trainees at ST3 and above.

This course covers the
New DAS Guidelines for Obstetrics and Ultrasound for Epidurals
