

### ACCS Specific Teaching for August 2014-July 2015

There is a regional teaching programme for ACCS Trainees which ACCS trainees are expected to attend. Please get in touch with your individual Departments to arrange study leave on these days. The sessions are usually on Wednesdays.

These dates and venues are valid as we know them in June 2014. Some of the dates/venues may change. Although we will try and inform you about it please check before you attend to ensure accuracy for the details. The dates are also posted on the ACCS website which we endeavour to keep up to date.
