

Relocation and Excess Travel Costs

Responsibilities for Determining the Eligibility of Doctors in training based in East of England Regional Training Posts

The Educational Resources Team for London and the South East administers relocation and excess travel expenses on behalf of the employers within the London and KSS regions. Similarly, the Relocation Team at Health Education England, east of England team administers approval of eligibility for relocations, excess travel and continuing commitments expenses on behalf of employers within their region.

When a doctor in training is employed in the Health Education England, east of England's region they will fall under Health Education England's EoE's relocation guidelines and policies. The final eligibility decision, which includes the decision on the base hospital used for calculating excess travel, will be determined by Health Education England EoE's Relocation policy.

You should contact the east of England Relocation Team with all queries relating to your eligibility for relocation, excess travel and continuing commitments costs, whilst employed in a training post within the east of England region, as below:
