

Supervision of a LTFT Trainee - proposed eLearning content

- What is LTFT training - hours of work, need to work shifts but less often etc.
- What training grades does it cover?
- Where can trainees find information on LTFT training, including who can help.
- Who is eligible? (national eligibility criteria)
- Advantages and disadvantages.
- How do I arrange LTFT training - need info on each HEE area both how eligibility is established and whether programme forms have to be completed.
- Funding arrangements - supernumerary, slot share, LTFT in a full time slot and 3 for 2 (3 trainees in 2 fulltime slots) FAQs such as how this differs from a job share and how are slot share partners found etc; how do I find a slot share partner, what if a slot share partner leaves?
- How long can trainees train LTFT?
- What does this mean for a trainee's choice of jobs?
- What does LTFT mean in terms of training and CCT - need to cover the need for 12 months WTE in Foundation and how this will take 3 or 4 years if all posts worked LTFT and that specialties are competency based, many still need pro rata time.
- Need for pro rata SLEs.
- ARCPs.
- Practical tips.
- Checklist.
- Appeals.
-

3 questions for LTFT Forum attendees on 6th October to discuss on the day

1. What else can be added to the eLearning package? Please state any reference resources
2. Please state contact details for LTFT lead(s) in HEE region or College/Faculty
3. Please state the LTFT application process in your region and if programme forms etc. need to be completed
