# Update on LTFT national work

- Data gathered on LTFT policies and procedures sent to Sheona McLeod who is leading this work stream for ED's.
- Currently on hold awaiting Junior Doctor Contract implementation / negotiations

# Funding

- Collection exercise on post funding to look at national differences
- EoE example – 0,2 top up for slot share
- WM example – full 1.2 plus uplift for slot share

# Return to Training Compare and Contrast

- Document showing the comparison of current guidance and policies on return to training in one place.
- Opportunity for one HEE document to incorporate the “best bits” that are relevant to all trainee rather than individual specialties.
- Opportunity for one form that can be used by all HEE trainees which meets revalidation requirements and is simple to complete.
