

8th Critical Care London Meeting

Thursday 7th & Friday 8th September 2017
Cavendish Conference Centre, Duchess Mews, London

Conference Chairmen and Scientific Committee:
Andrew Rhodes, Maurizio Cecconi & Jonathan Ball

TOPICS TO INCLUDE:

Physiology: when we didn't have RCTs
Surviving Sepsis Campaign: what has changed?
From logbooks to bigdata opportunities
Echocardiography: what everyone should know in 2017
Barotrauma, volutrauma, do they really exist?
Surviving an ICU admission: what happens next?
Critical Care outreach: does it improve outcomes
From basic science to bedside physiology: what have I learnt?
AKI: are we really so good at recognising it?
Base excess and strong ion difference made simple
Awake and comfortable: sedation state of the art 2017
Advanced Critical Care Practitioners: a growing workforce
in ICU as this reflects FICM ACCP roles

Fluids: what to give and how?
Where imaging will be in 5 years
The impossible to wean patient: what to do?
Telemedicine: luxury or necessity?
.... and lots more
