The venue for the training will again be in the postgraduate centre inside the hospital.

Please note that parking concessions are unfortunately not available and you will have to buy a valid parking ticket in the morning if you are arriving by own transport. Bring lots of coins as there are no facilities to change bank notes or to pay by card. Park and ride facilities do exist from multiple places in and around Ipswich to the hospital which may be a much cheaper option. Comes as a group and share the fun!

See <http://www.suffolkonboard.com/buses/park-and-ride/> for more information.

Certificates of attendance will be available to pick up on registration.

Please don't forget to fill in your feedback forms.

Best wishes,

Immo
