

MRCP Paces

Tuesday 21 January 2020

Deakin Centre, Addenbrooke's Cambridge

Course Directors:

Dr Andrew Fry

Consultant in Nephrology and Acute Medicine MA MB BChir PhD (Cantab)
MRCP(UK)

Dr Alistair Mackett

Consultant in Geriatric Medicine

This is an opportunity for 20 Core Medical Trainees to attend this 1 day intensive MRCP PACES Course in preparation for the exam

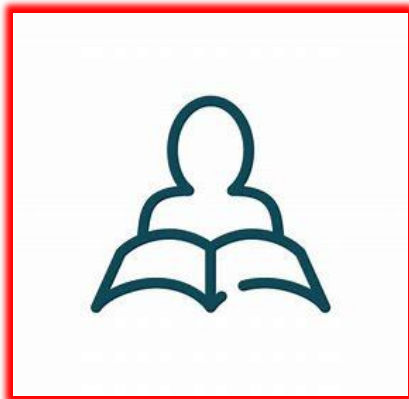

The course will replicate the exam circuit and will include the full range of scenarios you can expect to see in your exam

Detailed feedback will be given at each station

Priority will be given to local candidates who are sitting the PACES exam in the January - April 2020 diet

Please note that places are strictly limited

Free to East of England Delegates - Please ensure that you have the leave granted to attend

Please apply online @ www.cam-pgmc.ac.uk
