

The Association of Coloproctology
of Great Britain and Ireland

Advanced Coloproctology Course 2018 (Motorway Course)

Devised for Senior Trainees grade ST7 - ST8 and as a refresher for all, this two day course will be filled with lectures, presentations, debates and Viva Voce. Key topics will be relevant, cutting edge and include much discussion and interaction.

The lectures will be presented by the invited faculty - colorectal surgeons and consultants working throughout the country.

Early Bird Rate = £250 consultants
Early Bird Rate = £200 trainees

Includes refreshments, lunch and course dinner on Thursday night.

*Recognised by the ACPGBI for 10 CPD points
Organised by Nadar Francis & Trish Boorman
