SPEAKER INFORMATION

Dr Liz Hamilton

Dr Hamilton is treasurer and co-founder of AMGER. She is an Acute Medicine physician at West Suffolk Hospital.

Dr Adrian Jennings

Dr Jennings is an RCP Regional Adviser, Censor and Member of Council. Dr Jennings is a Consultant in Diabetes and Endocrinology at Queen Elizabeth Hospital, King's Lynn.

Dr Will Petchey

Dr Petchey is a Consultant Nephrologist at the Oxford Transplant Centre. He completed his PhD at the NHMRC Centre for Clinical Research Excellence in Queensland before completing his training in the East of England.

Professor Mervyn Singer

Professor Singer is a Professor of Intensive Care Medicine at University College London. He is a physician by trade. His primary research interests are sepsis and multi-organ failure, infection and shock and haemodynamic monitoring.

Dr Peter Young

Dr Young is a Consultant in Anaesthesia and Critical Care in Queen Elizabeth Hospital, King's Lynn. Dr Young is a proven innovator having developed ten devices, three of which have been brought to the market. He has recently been invited to form a new fellowship programme called the NHS Innovation Accelerator (NIA).

Dr Haris Marath

Dr Marath is a Consultant in Acute Medicine and Diabetes and Endocrinology at West Suffolk Hospital, Bury St Edmunds. He started his training in India before completing his specialist training in East of England. He has an interest in calcium disorders and vitamin D.

Dr Prina Ruparelia

Dr Ruparelia is a Consultant in Respiratory Medicine at Addenbrooke's Hospital.

We are grateful to the following companies for sponsoring this event: Astrazeneca, Bayer, others tbc. Please note that sponsors have had no involvement with the planning of the programme.
