

Educational Supervisor Application for 2020-21

Completing the Application Forms

Introduction

This is to be read in conjunction with the Health Education England—Midlands and East Educational Supervisor Application Form. The application form allows the Selection Committee to assess and score your application with the most suitable information before them; so please take time and care when completing the forms. Please try to answer the questions openly and with reflection, to give a full account of yourself.

Selection is a competitive process as each DFT Scheme will take only a fixed number of Foundation Dentists. Thus, once the Committee has selected those who meet the standards required to be an Educational Supervisor, the best of these will be appointed as Educational Supervisors to one of the Health Education England—Midlands and East Schemes.

Some experienced Educational Supervisors are appointed to a multi-year appointment, and subject to a satisfactory performance review, will therefore already occupy some of the places available on the schemes. This will leave a variable number of unfilled places on the schemes. These places will be filled with the highest ranking applicants from the selection process. If there is not a place on a Scheme available for an applicant they will drop out from the allocation process but still be “reserve Educational Supervisors”.

Application Process

Completing the forms

Download the Application form from the HEE-M&E website and save in a folder. You also need to download and read the Educational Supervisor Information booklet 2020-21, together with the Practice and Person Specifications.

Open the Adobe Reader app / programme
Using the '**F**ile' then '**O**pen' command, open each of the forms you have downloaded. If the areas to be completed are not highlighted in blue, click on the 'Highlight Existing Fields' button at the top right corner.

Save your application form with the addition of your name, e.g.- **joe smith Application.pdf**

Please answer all of the questions in turn. The forms are interactive and will introduce supplementary questions and pages as necessary. Some answer boxes will increase in size to allow you to enter as much information as you need; others are restricted in size to limit your answers to a fixed length. Some sections have + and - signs to allow you to add items to your answers. Your forms can be saved when partially complete. **Incomplete applications will not be accepted.**

Please **DO NOT** USE JUST BLOCK CAPITALS TO COMPLETE THE FORM; normal mixed Upper and Lower Case is essential.

When all the information is correctly entered on each form, before signing, please carefully check and save the form again, making sure your name is on each of the saved files.

Navigate to each section with the mouse, or alternatively the 'tab' key will lead you through in a stepwise fashion. The tick boxes will self complete if clicked with a mouse.

If you are certain all is complete you must now apply a digital signature, which incorporates your name and date and a secure certificate. When you add your electronic signature you will **NOT** be able to alter the form any further. *(Please see the document about digital signing for full information. You can download this from the HEE-M&E website).*
