

Dental Workforce Education

Multi-Professional Education for the Whole Dental Team in Midlands and East

September 2020 - March 2021

Welcome to your course list for September 2020 – March 2021. We hope you enjoy the courses and find them beneficial to your professional development.

We have made a few changes to the programme to make it easier for you to book onto a course and find the right course for you. These changes are explained here.

How to register on Course Booking system

The details can be found at the HEE East of England website: <https://heeoee.hee.nhs.uk/dental/dental-courses-and-cpd>

Course bookings are made through the Accent system. If you have had an account with the Intrepid system before you can use your login details with the new Accent system relevant to your area.

Your Profession / Job Title & Delegate Type

All courses are listed with a target audience. If you meet that target audience, you will be able to book onto the course using the Accent Course Manager System. To do this, you will need to log into your Accent account, click onto “My Personal Details” and then amend what your job title is. This will ensure that you are booking onto the correct course for you, and that you will pay the correct fee for your delegate type.

How book onto a course

Log into the West Midlands and East Midlands Accent Course Manager via

https://accent.hicom.co.uk/CourseManager/Live/HEEM/Web/sys_Pages/MainMenu/MainMenu.aspx?ReturnUrl=%2fCourseManager%2fLive%2fHEEM%2fWeb

Log into the East of England Accent Course Manager via https://accent.hicom.co.uk/CourseManager/Live/EOE/Web/sys_Pages/MainMenu/MainMenuLoggedOn.aspx?MenuIndex=0

Once you have logged in (or registered if you have not used Intrepid before): on the left-hand side, click onto ‘**Events**’ and search for the course code and follow the online instructions to complete the booking and payment process.

There are further guides and instructions available at the HEE East of England website: <https://heeoee.hee.nhs.uk/dental/dental-courses-and-cpd>

Course Codes

You will notice that each course now has a code assigned to it. (e.g. **EM010**). This is a unique course code you can use to search for courses on Intrepid for quick viewing.

For all queries regarding the programme, please contact DWD.ME@hee.nhs.uk.

Until December 2020 all DWD courses that do not have a hands-on element will be delivered online as a measure to reduce Covid-19 transmission.

September 2020

Key	East of England	East Midlands	West Midlands
------------	-----------------	---------------	---------------

Date and time	Course code	Course title	Location
2 Sept 2020 09:00 - 17:00	EoE001	An update in advanced restorative dentistry: contemporary bonded versus traditionally cemented restorations; a modern dilemma	David Dunn Suite, Addenbrooke's Hospital, Hills Road, Cambridge CB2 0QQ
