

## MRCPCH Clinical Revision Course

**14<sup>th</sup> October 2017**

**Princess Alexandra Hospital, Harlow**

“MRCPCH Clinical Revision Course” at Princess Alexandra aims to offer junior paediatric trainees in the East of England a “hands on” experience of patients with clinical signs with individualised feedback in preparation for the MRCPCH Clinical Exam.

### **We offer:**

- **Enthusiastic faculty** including experienced paediatric consultants and registrars with recent exposure to the exam.
- Participation of **real volunteer paediatric patients** with clinical signs similar to those seen in the membership examinations.
- A **mock examination** to include all stations of cardiovascular, respiratory, musculoskeletal, neurology, child development, history taking and communication.
- Individual Feedback.
- Increased Confidence in passing the exam.

**Suitable for ST1-ST4 trainees** preparing for the **October 2017 MRCPCH Clinical Examination.**

**Venue: Outpatient Department, Princess Alexandra Hospital, Harlow.**

**Course fee: Free** for PAH trainees/ **100£** East of England / **150£** external

Refreshments and lunch will be provided to all candidates. Unfortunately we cannot offer hospital parking.

**Interested candidates please email** [ourania.kaltsogianni@nhs.net](mailto:ourania.kaltsogianni@nhs.net) or [Liz.Prince@pah.nhs.uk](mailto:Liz.Prince@pah.nhs.uk) .

**Maximum of 12 trainees** on a first come-first served basis.
