

Performers List Validation by Experience (PLVE)

NHS England local area teams process Performers List applications throughout the year and pass them onto Health Education England, East of England (HEE EoE) for assessment if required. PLVE Mentor applications are managed by HEE EoE in bi-annual tranches in the Summer and Winter.

Performer assessment requests must be received by HEE EoE prior to the PLVE Mentor application deadline.

Management of potential PLVE Mentor applications:

Summer Tranche 2017		
NHS England local area teams to advise potential PLVE Mentors of the need to submit their applications to HEE EoE		
May 2017	Guideline for potential Performer assessment to be received by HEE EoE from NHS England local area teams	If applications are received after this time, it is likely the PLVE Mentor interviews will be managed in the Winter Tranche 2017
May / June 2017	Potential PLVE Mentors to complete and submit application forms	
Monday 26 June 2017 at 12.00 midday	PLVE Mentor applications for Summer Tranche close	Practice inspections
Friday 18 August 2017	Interviews	
Early September 2017	PLVE Mentor applicants informed of their outcomes	Start of PLVE programme dates to be arranged in liaison with NHS England local area teams
September/October 2017	PLVE Mentor training	Interactive training session for new Mentor applicants

Winter Tranche 2017		
NHS England local area teams to advise potential PLVE Mentors of the need to submit their applications to HEE EoE		
Mid October 2017	Guideline for potential Performer assessment to be received by HEE EoE from NHS England local area teams	If applications are received after this time, it is likely the PLVE Mentor interviews will be managed in the Summer Tranche 2018
