

The East Anglian Association of Anaesthetists Core Topics 2018 and Harold Youngman Prize Meeting will take place on Thursday 8<sup>th</sup> and Friday 9<sup>th</sup> November at Tattersalls Conference Facilities in Newmarket. The Conference Centre is in the heart of the Eastern region and has on site car parking facilities.

We hope that the meeting will prove attractive to all grades of anaesthetist. Thursday is reserved for lectures covering aspects of the Royal College of Anaesthetists Core Topics Matrix. On Friday, the morning session is assigned to trainee prize presentations – this provides an opportunity for trainees within the Eastern region to present research, audit, reviews and interesting cases to a friendly audience. In addition there will be an opportunity for trainee poster presentations. Prizes will be awarded to both the best verbal and the best poster presentation. The afternoon session will feature further invited speakers covering Core Topics. There will also be a lunchtime workshop (limited number of places) on Friday. There will be a trade exhibition on both days. CPD points have been applied for.

**Delegates sometimes find the meeting room to be cold - we would advise you bring a warm coat**

**Tattersalls Conference Facilities, The Avenue, Newmarket CB8 9AY**

**From South/London/M11**

Exit Junction 9 of M11 onto A11. 9 miles exit off (signed to Newmarket) onto A1304
