		<p>there are scheduled GA Daycase and Inpatient GA lists (Hub only) to which you'll be allocated. There will be direct supervision and the aim is to help you feel comfortable to undertake routine procedures independently during your placement- exodontia, biopsies, excisions etc.</p> <p>There is an aim of 3 clinics and 3 operating sessions (LA/GA) per week, which are senior led.</p> <p>DCTs will split their 12 week rotating pattern with 6 weeks spent in the spoke hospital and 6 weeks at the hub- Luton and Dunstable hospital.</p> <p>In that 12 week period there will be hub oncall cover 1 set of weekend days 1 set of weekend nights 1 set of weekday nights 4 individual long days oncall (8am-8pm). This equates to a 1:12 full shift rota, with 8am starts at the hub and 8:30am at spokes.</p> <p>These oncalls are busy and valuable experience in learning acute presentations associated with oral and maxillofacial surgery. They are well supported with second and third oncall cover available to you. Additionally during the day time there is always support locally in hub or spoke with onsite cover by senior levels. During those periods of oncall you will develop skills in managing lacerations and abscess as well and learning how to assess maxillofacial injuries.</p> <p>There will be a local spoke oncall cover during the day (8.30am-5pm) which is split between the spoke rotated DCTs, managed locally but again with a direct line of supervision available to support you.</p>
13.	Educational programme summary	<ul style="list-style-type: none"> • We run a weekly DCT orientated study session every Friday afternoon with a view of covering curriculum content relevant to the post. The attendance is compulsory and is well received. • Other learning opportunities are available through study leave of which 30 days are available over the year post. This includes compulsory regional training days as well for curriculum requirements, where a study budget of £600 is available. Aspirational events will occasionally also be supported but require clarification on an individual basis. All
