ESR Guidance -

- Educational Supervisors complete reviews for their Trainees every six months. For those reviews which are completed whilst the Trainee is in a hospital post a fee of £250.00 can be claimed.
- The amount of payment is £250 per report which includes preparation work beforehand and with a commitment of keeping in touch with a trainee between reports.
- This form should be used to claim only for GP ST1/ST2 trainees based **in hospital** training posts.
- Please note that claims will not be processed if a trainee is in an innovative or GP post. These reports will be covered by the trainer's grant each practice receives. If a report is carried out for a trainee whilst in a GP post but separate to your own GP practice this money should be claimed via that practice through their trainer's grant fund.
- Claim forms **MUST** be received **within 4 weeks** of the ESR submission date on ePortfolio and **within the correct financial year** in order for them to be processed and paid.
- Once authorisation has been given on the claim, we will e-mail the Educational Supervisor with confirmation and instructions to submit a practice invoice to SBS Wakefield. This confirmation email will also be copied to the Practice Manager providing that their contact information has been entered below.
- Please bear in mind that monitoring of the quality of ESRs is taking place following the feedback from the RCGP report.
