#### Important notes:

- Definition of Educator: a consultant level or GP level.
- Definition of Substantive post: permanent contract.
- Locally Employed Doctors (i.e. Trust Clinical or Education Fellows) are not eligible for these bursaries. LEDs are advised to contract their Trusts to explore study leave options.
- The maximum amount of bursary funding is £3,500. Please note that if your chosen University charges more you will need to seek alternative sources of funding for the difference.
- Bursary funding is for tuition fees only. Milage and travel expenses cannot be covered. Please ensure you check the universities requirements to familiarise yourself with the delivery method; virtual, face-to-face or hybrid. NHSE EoE will not pay for travel, accommodation, equipment, or subsistence.
- If you hold a visa the University may treat you as an international student. You may be subject to additive overseas student fees. Please check with the University before applying; NHSE EoE will not meet these additional fees.
- Funding is for PGCert/PGDip in Medical Education only. Other courses will not be considered.
- Retrospective applications will not be considered.
