

Final FRCA Regional teaching

Thursday 19 September 2019

Norfolk and Norwich University Hospital

(Anaesthetic back office, level 4)

Timetable:

08:30	Registration
08:45	Introduction
09:00	Pre-Operative assessment for thoracic surgery (or when to politely say 'no thank you') Dr M Irvine
10:00	Coffee
10:30	Anaesthesia for Oesophageal Surgery (What else do you need to know other than prepare for a very, very long day?) Dr J Francis
11:30	One lung ventilation (a chance to finally understand the physiology, and the practicalities of how you do it) Dr D Spackman
12:30	Lunch
13:30	Analgesia for thoracic surgery (Decisions, decisions, decisions -PCA, epidural or paravertebral?) Dr M Naik
14:30	Other stuff you need to know about thoracic anaesthesia. Dr M Irvine
15:30	CPEX Testing Dr Naomi Tate

Please let Sam Keable at Samuel.Keable@nuh.nhs.uk know if you are attending for catering purposes – thank you
