

## Cambridge Critical Care Conferences at Papworth

### Mechanical Thrombectomy for Acute Stroke

Wednesday 6<sup>th</sup> December 2017 @ 6:00pm  
Lower Lecture Theatre, Papworth Hospital

**Speaker: Dr Yogish Joshi**

**Consultant Interventional Neuroradiologist  
Cambridge University Hospital**

#### Speaker Biography

Dr Joshi is a Consultant Interventional Neuroradiologist at Addenbrookes Hospital in Cambridge. He is the neuroradiology lead for diagnostic and interventional stroke services. He trained on the University College London Hospitals radiology rotation, before joining the Pan-London Neuroradiology Fellowship. He then worked for just under 4 years at the University Hospital of Wales where he was involved with setting up the interventional stroke service for South Wales. He has a special interest in hyperacute stroke intervention and is currently involved with setting up the 24/7 stroke thrombectomy service for East Anglia.
