

Foundation Schools East of England

Course Details

The Foundation Schools are a two year run through course, that can be entered into during the second year. Trainees can be placed at all of the Acute Trusts and Mental Health trusts within the East of England region, as well as some of the GP practices. Additionally, there is a bespoke Welcome to the NHS Programme for overseas doctors.

Rotations

The Foundation Schools are a two year run through course, that can be entered into during the second year. Trainees can be placed at all of the Acute Trusts and Mental Health trusts within the East of England region, as well as some of the GP practices

Regional Teaching program

60 hours taught programme consisting of 30 core hours of simulation, sub-regional teaching and local teaching and 30 hours trainee choice which is predominantly local with simulation and sub regional available.

Simulation

We offer all trainees a full day of hi fidelity simulation and a minimum of a half day of supervised VR simulation. Trainees can choose to increase this in their non core 60 hours, and we suggest 3 days of sim training. Non supervised VR simulation is available with booking at trainees discretion.

Did you know?

Priority Programmes, aimed at providing additional training opportunities for trainees who wish to go into specific specialties, exist for General Practice, Mental Health, Paediatrics and Pre-Hospital Care

Exams

PSA exams must be taken if not passed at medical school, as well as ALS. SCRIPT E-learning is available for both prescribing and specifically PSA
