

Book your place on the GP Update Study Day Live Course for Health Education England - East of England

Join us for a highly engaging and interactive online course, from the comfort of your home (or practice)! We'll cover the latest changes in evidence and guidelines relevant to Primary Care. Our presenter will host the course live from our TV Studio, run interactive polls and Q&A sessions and offer practical tools to help you change your practice straightaway.

COURSE DETAILS

DATE: Thursday 9th March 2023

TIME: 10:00 to 16:00

CLICK HERE TO BOOK!

What we will cover

- NEW NICE Diabetes guidance and all things gliflozins
- NEW NICE guidance on CKD
- NEW NICE guidance on Depression
- NEW NICE guidance on Gout

Topical, tricky or controversial content:

- Asthma: what does sustainable care look like?
- Liver disease: interpreting abnormal LFTs, NAFLD and more
- Testosterone: what is its role in menopause care
- Optimising management of people with heart failure
- Colorectal cancer: screening, FIT testing and spotting it in younger people

Plus lots of bread-and-butter primary care from otitis media to epilepsy, dry eyes and much more!

What you can expect on the day

- **Learning to suit all styles** - Varied, dynamic teaching.
- **Interaction** - Interact with the presenter and ask questions.
- **Flexibility** - tune into the live-hosted event and/or to re-watch on demand, at any time, for 12 months after

What will I get

- 5 CPD hours of interactive & practice-changing online learning, with downloadable certificate
- 12 months access to the extended on demand course
- 12 months access to the online written resources with hundreds of articles

Online Written Resources

Hundreds of articles, all in one place, **covering more than 97% of the RCGP curriculum** - like an online encyclopedia for primary care professionals.

- Continually updated to provide a reliable source of information.
- Fully searchable with fast and reliable answers to real problems during consultations.
- A handy online resource to support you with your PUNS and DENS.
- Packed with ready-made protocols to standardise practice within surgeries and PCNs.
