

Enhanced Induction for International Medical Graduates

Virtual event on Teams

Upcoming Dates: 18th September / 27th November / 10th December

Event details

The programme for the day includes a welcome to UK practice (WtUKP) session, presentations, and workshops aimed at making a difference for colleagues in the **East of England region, who have graduated abroad and are about to start, or are early on in, their NHS journey (postgraduate doctors in training, SAS and LEDs).**

If you have been working in the NHS for longer, the content may not be as relevant to you.

For any queries, please contact oeMTIrecruitment@esneft.nhs.uk

We look forward to seeing you there!
