

Individual Study Leave Curriculum Requirements for School of Dentistry

Individual Requirements: Courses mandated by the curriculum in order to meet CCT, that are not currently being funded centrally; the trainee will need to apply for reimbursement of these costs via the study leave application process, flowchart available [here](#). Trainees may claim travel expenses to these events in line with the LEPs terms and conditions. If the cost of the activity exceeds £500 and requires additional sign off from the TPD, partial funding may only be approved.

Activities not identified on this list will need to be applied for as an aspirational activity. The trainee will need to follow the local study leave application process *and* complete the additional approval form available [here](#).
