

School of Psychiatry

The School of Psychiatry have no individual study leave requirements.

All curriculum requirements are achieved through the regionally available teaching and courses. Regionally funded courses for the School can be viewed here: https://heeo.ee.nhs.uk/regional_activity

Activities not covered on the regional activity list will need to be applied for as an aspirational course. The trainee will need to follow the local study leave application process *and* complete the additional approval form available [here](#).

The study leave application process flowchart is available [here](#).

If you feel a mandated course/activity is not covered in the regional teaching provided by the School, please send the full details of the course including evidence of where this is specified in the curriculum/ARCP decision aid to studyleave.eoe@hee.nhs.uk for review.
