### \*IMPORTANT INFORMATION\*

It is likely this form has opened as a webpage, please ensure you save the form locally on your desktop before you begin completion. Please also ensure you have opened this application form in Adobe Reader. This should happen automatically as Adobe Reader is pre-installed on most computers, except MACs. Please do not begin completing this form if it has opened in an internet browser or PDF Previewer, as this will invalidate the digital signature fields and your form will be returned for re-completion. Please also note, this form cannot be completed using a smart phone, iPhone or iPad.

It is essential for you and the approvers of this form to insert their digital ID onto the same form. It is your (the trainee's) responsibility to obtain all signatures and email a **singular**, fully completed electronic form back to HEE for final approval. Hand written, posted or printed/scanned forms will not be accepted as this will deem the electronic approval fields unusable. If you are having problems with the form after reading the available guidance above please contact [heee.ltft@nhs.net](mailto:heee.ltft@nhs.net)

- Before completing this form you must have received prior approval of LTFT eligibility by way of an HEE approved LTFT form 1 or stage 1.
- Submission of this form is to: 1. Confirm approval of continued LTFT training by HEE, 2. Ensure your employer, Educational Supervisor, TPD and HEE are aware of these arrangements, 3. Confirm funding arrangements with your employer.
- All information marked with a red asterisk (\*) is mandatory and must be completed unless otherwise stated. Any applications missing mandatory information will be sent back for re-completion, causing delays.
- This form should be submitted **3** months prior to the date you wish to continue LTFT training where possible. The local team will not accept responsibility for forms that are submitted late, or delays caused by missing mandatory information/evidence.
- You are not permitted to continue LTFT training until you have had this form fully approved and returned to you by the HEE local team.
- You are required to submit a new 'Form 2: Renewal LTFT Training Plan' in the following instances:
  - Each time you rotate to a different Hospital Trust or GP Practice
  - If you would like to change the percentage you are working at
  - Any change in your slot arrangements (e.g. if your slot share partner changes, or if you change from slot sharing to LTFT in a full time slot).
- If you are slot sharing you must ensure your slot share partner has submitted a matching training plan for approval.
- Your proposed training plan is to be negotiated with your Educational Supervisor/Tutor and TPD/FTPD, and should demonstrate that you will continue to access all aspects of training relevant to the curriculum. The dates for the plan are proposed dates only; formal arrangements need to be agreed and signed off by your FTPD/TPD and medical staffing at the Trust / Practice in which you will be placed once your application has been approved. **If you are unsure of who your TPD/FTPD is please refer to this question in our [LTFT FAQs \(click here\)](#) and follow the instructions/links provided.** TPDs will also be able to provide you with details of your Educational Supervisor/College Tutor if you are not already aware of who this is.
- Approval of this form does not guarantee you will be able to continue to train less than full time. This is dependent on the capacity to accommodate you in the training programme and available resources.
- Please be aware that it isn't always possible to accommodate LTFT training immediately/on your chosen continuation date.
- If you wish to revert back to full time training before your agreed end date you should discuss this with your TPD, Educational Supervisor and Trust/Practice in the first instance. Once agreed by all, you must inform HEE by emailing the LTFT mailbox with confirmation that this can be accommodated and the date you will be reverting back to full time training.
