

Managing Challenging Circumstances – Live Webinar

3 external CPD points

We are working with Health Education England, East of England to provide this webinar, and this course is open to all SAS and LED doctors from the region.

Introduction

We are living in turbulent times and in what can only be described as a VUCA (Volatile; Uncertain; Complex; Ambiguous). This session focuses on what we can best do for ourselves and each other during this time, and how to be assertive whilst recognising the pressures of other individuals. Leading during turbulent times presents a very different challenge, and we will look at the need to step up, and how to effectively ride the change curve.
