

Health Education East of England

Norwich Paediatric Study Day

Please join us at the Norwich Radiology Academy on 13 February 2020 for a paediatric radiology study day.

There will be lectures on paediatric trauma, imaging guidelines for blast victims, Non accidental head injury and Top ten paediatric cases for FRCR 2b examination.

For the first time we are inviting the regional trainees to present interesting paediatric radiology cases, the winner will be awarded a small prize.

Who should attend: Radiology trainees, Consultant Radiologist with interest in paediatrics

The day is free to attend for the East of England deanery radiology trainees and consultants. Lunch, tea and coffee will be served (10£ charge for food only)
