

## INSTRUCTIONS FOR COMPLETING YOUR OUT OF PROGRAMME (OOP) APPLICATION

Please read the information below carefully before completing this form

### **\*IMPORTANT INFORMATION\***

It is likely this form has opened as a webpage, please ensure you save the form locally on your desktop before you begin completion. Please also ensure you have opened this application form in Adobe Reader. This should happen automatically as Adobe Reader is pre-installed on most computers, except MACs. Please do not begin completing this form if it has opened in an internet browser or PDF Previewer, as this will invalidate the digital signature fields and your form will be returned for re-completion. Please also note, this form cannot be completed using a smart phone, iPhone or iPad.

Step by step guidance for setting up a Digital ID can be found here:

[Digital ID set up guide - Click Here](#)

If required, Adobe Reader is available to download for free here:

[Download Adobe Acrobat Reader Free - Click Here](#)

Essential guidance for MAC users can be found here:

[Electronic form guidance for MAC users - Click Here](#) We strongly recommend MAC users follow this guidance to ensure the form has opened with the correct software prior to completion.

It is essential for the approvers of this form to insert their digital ID onto the same form. It is your (the trainee's) responsibility to obtain these signatures and email a **singular**, fully completed electronic form back to HEE for final approval. Hand written, posted or printed/scanned forms will not be accepted as this will deem the electronic approval fields unusable. If you are having problems with the form after reading the available guidance above please contact [oop.eoe@hee.nhs.uk](mailto:oop.eoe@hee.nhs.uk)

- All information marked with a red asterisk (\*) is mandatory and must be completed unless otherwise stated. Any applications missing mandatory information will be sent back for re-completion, causing delays.
- If you are a tier 2 visa holder you must seek advice from the national tier 2 visa team ([tier2@wm.hee.nhs.uk](mailto:tier2@wm.hee.nhs.uk)) and Home Office prior to submitting your OOP application. Please be aware that time taken OOP may invalidate your visa.
- Your OOP application should be submitted 6 months prior to the date you wish to commence your OOP. This is to allow sufficient time for processing, which can take a considerable amount of time if you are applying for time to count towards your training. HEE will not accept responsibility for forms that are submitted late, or delays caused by missing mandatory information.
- For OOPT or OOPR applications requesting time to count you must submit a letter supporting this from your Royal College or JCST with your OOP application (JRCPTB specialties and Public Health are not required to provide this if OOP site is GMC approved). HEE staff will then apply for **prospective** approval from the GMC on your behalf (please note, it is not possible for OOP applicants to obtain GMC approval themselves).
- The outcome of your OOP application will be communicated to you via the email address provided on this form.
- You will only be eligible to commence your OOP once you have had this form approved by your TPD, ES and HEE.
- While every effort will be made to allow you to return on your chosen date, the placement and timing will need to be negotiated with your Training Programme Director.

Please see our website for further OOP information and detailed FAQs:
