

Opportunity to sit on CT Interview Panel

Dear Trainee,

Introducing a great opportunity to examine mock interviews for Core Anaesthetics Training applicants at an evening event endorsed by the Royal College of Anaesthetists.

The 'Core Anaesthetics Training Interview Course' will be held on the evening of Monday 18th December 2017 at the Royal College of Anaesthetists, Churchill House, 35 Red Lion Square, London, WC1R 4SG.

We would be delighted to invite you to examine at the event. The (early) evening begins with a series of talks (interview tips for the specific stations, college services and advice, Q&A session) led by Consultant anaesthetists who interview on the panel. The main part of the event, which you would be involved in, are mock interviews; each applicant cycles round the 3 stations (oral presentation, portfolio and clinical) and is examined by interviewers, followed by immediate written and verbal feedback. We will provide up to date information regarding interview format for this year and a guide mark scheme. Therefore all you need to do is turn up on the evening. Interest in the event has been excellent, with attendees and examiners looking forward to very realistic mirroring of the actual interviews.

We will of course provide you with a RCoA-approved certificate of your participation in examining at the event, as well as cake, tea and coffee. Your own experience having been through the application process is so valuable to us, therefore we hope you will be as enthusiastic about supporting the new cohort of trainees as we are.

If you would like more information or to confirm your interest in examining, please email me (amour.patel@doctors.org.uk). Please find the event poster attached; please do inform any colleagues or friends who may be interested in attending or examining.

Best wishes,

Amour
