

Demystifying Management of Paediatric Major Trauma

Monday 7th October 2019

Venue: Granta Centre, Great Abington
CB21 6AL

The infrequent nature of major trauma in children makes it challenging to manage for both adult and paediatric teams.

This day will cover paediatric trauma from roadside to rehabilitation, and will be packed with talks from experts in resuscitation, definitive management and rehabilitation of children who have sustained major trauma

Aimed at any healthcare professionals working with children across the spectrum of trauma care

Cost:
Nurses/AHP's: £50
Doctors: £85
Lunch Included

To book a place, please contact John Ayling at the Trauma Network Office –
