

Regional Teaching Activity Available for School of Obstetrics & Gynaecology

Regional Activity: These courses will be run and funded centrally via the Regional Teaching Fund and should not incur an attendance cost to the trainee. The trainee may claim travel expenses to these events in line with the study leave policy – Annex 1. Attendance at all regional training relevant to the specialty and grade is expected and courses being provided regionally should not be attended externally and claimed from study leave, except in exceptional circumstances. If there are any queries regarding the regional activity being held (dates/locations etc.) please contact your TPD in the first instance for advice.
