

Regional Training Days 2016/17

Teaching is compulsory for all Registrars and non attendance should be emailed to: sarah.downey@jpaget.nhs.uk; or jonathan.morton@addenbrookes.nhs.uk

These dates allow plenty of time for study leave application and will be sent to all Trainers as well as Trainees. Those Trainees in a chosen specialty are invited to contact either Mrs Downey or Mr Morton if they would like a particular topic discussed with an appropriate case presentation.
