

Training and support for all doctors by doctors

CAREER MANAGEMENT FOR SAS DOCTORS AND INTERVIEW MASTERY

BOOK ON EVENTBRITE

Who's it for

SAS, LED

This workshop is tailored for SAS doctors seeking to navigate their careers effectively and unlock the secrets to interview success led by experienced NHS doctors, this course provides practical tools to assess work values, develop actionable career plans for a fulfilling and sustainable career, and provide hands-on training and expert insights to help you stand out in interviews.

Participants will gain skills to evaluate their work values, utilise the ROADS model to explore career paths, and create a structured career action plan. Essential skills to excel in interviews will be explored, including understanding various interview formats and styles, managing nerves, tackling difficult questions, and mastering effective communication techniques.
