

Service Improvement and Delivery – Live Webinar

3 external CPD points

We are working with Health Education England, East of England to provide this webinar, and this course is open to all SAS and LED doctors ONLY from this region.

Introduction

With the needs of patients placed firmly at the heart of the National Health Service, providing a first-class level of service delivery has to remain top of the agenda. Today's doctors must show an even greater understanding of how to be effective in leading, working with and influencing all those they come into contact within the workplace.

Course Structure

- 2.5 hour webinar
- Date: 10th March 2022 – Timings 2:00pm – 4:30pm
