

James Paget University Hospital

Simulation Day

What makes a good med reg?

Is it knowing the causes of renal tubular acidosis or mastering non-technical skills such as:

- Leading a cardiac arrest team well
 - Consent in emergency situations
- Persuading the radiologist to do your scan
 - Dealing with the unexpected

**Venue: James Paget Hospital
Simulation Suite
Great Yarmouth**

Dates: 06/06/17

Time: 9-5pm
