

Supported Return to Training Return to Clinical Practice Day East of England

Thursday 19 May 2022

09:30 – 16:00

Stapleford Granary, Bury Road, Cambridge, CB22 5BP

The Supported Return to Training (SuppoRTT) team are excited to announce the return of our face-to-face Return to Clinical Practice Day.

Please join us for a relaxed day as we discuss themes of health and well-being, strategies for returning to work, keeping up to date, less than full time training, and options that are available to support your return to training.

The day will be facilitated by Dr Francesca Crawley, Associate Dean for Health Education England and Dr Emma Lishman, Clinical Psychologist from Hammet Street Consultants.

There will be other experts on hand to deliver exciting sessions!
