

THE EAST OF ENGLAND SURGICAL SIMULATION PROGRAMME 2017/ 2018

Evelyn Cambridge Surgical Training Centre Melbourn

This programme has been developed in line with the intercollegiate surgical curriculum with funding from Health Education East of England. Faculty from across the region will facilitate the training for regional HIGHER trainees.

The course will cover the following topics

- **Vascular & Transplant** – 15th November 2017
- **HPB (2 days)** – 5th & 6th December 2017
- **Breast** – 11th January 2018
- **Upper GI** – 12th January 2018
- **Colorectal (2 days)** – 18th & 19th January 2018
- **Transplant** – 2nd February 2018
- **Trauma** – 9th March 2018

THIS COURSE is available to East of England trainees
(we do require a £100.00 holding fee, which will be returned on attendance)
