<b>Skills</b>	Clear communicator with good writing and presentation skills, capable of constructing clear arguments	
<b>Post Course Contribution</b>	Contribute towards developing teaching resources within EoE region or take on an educational leadership role within specialty	

### Important notes:

- Locally Employed Doctors (i.e. Trust Clinical or Education Fellows) are not eligible for these bursaries. LEDs are advised to contract their Trusts to explore study leave options.
- Core Trainees who have not been appointed to Higher Education training in EoE are not eligible for these bursaries.
- Core Trainees who have been offered Higher Education training post in EoE and have accepted a post are eligible for these bursaries. If post not taken up money will be re-claimed back from the University and candidate will be expected to cover the costs of the course.
- Foundation Trainees are not eligible for these bursaries.
- Run through programme Trainees who have training number are eligible for this funding (i.e. ACF etc.)
- The maximum amount of bursary funding is £3,500. Please note that if your chosen University charges more you will need to seek alternative sources of funding for the difference.

- Bursary funding is for tuition fees only. Milage and travel expenses cannot be covered. Please ensure you check the universities requirements to familiarise yourself with the delivery method; virtual, face-to-face or hybrid. NHSE EoE will not pay for travel, accommodation, equipment or subsistence.
- If you hold a visa the University may treat you as an international student. You may be subject to additive overseas student fees. Please check with the University before applying; NHSE EoE will not meet these additional fees.
- Funding is for PGCert/PGDip in Medical Education only. Other courses will not be considered.
- Retrospective applications will not be considered.
