Introducing the Digital Health and Entrepreneurship Team

We are a new team dedicated to building digital health and entrepreneurship into the region's medical training and culture. We offer:

- Workshops in collaboration with expert partners such as Eastern Academic Health Science Network.
- Clinicians' guides to grant funding and intellectual property- see these at our [NHS Learning Hub catalogue](#).
- A "Digital and Innovation" journal club. This is not your normal journal club: we start with a paper but then explore the company and the technology, joined by company founders/leaders.
- Free clinics tailored to you- we can provide advice on:
 - Funding
 - Intellectual Property
 - Business planning
 - Assistance with grant/accelerator/NHS Clinical Entrepreneur programme applications

How can you get involved?

- Please get in touch at digitalandentrepreneurs.eoe@hee.nhs.uk with any enquires, to receive copies of our guides, or to book a clinic appointment.
- To be the first to hear about our events, including the journal club, please [sign up for our mailing list](#).

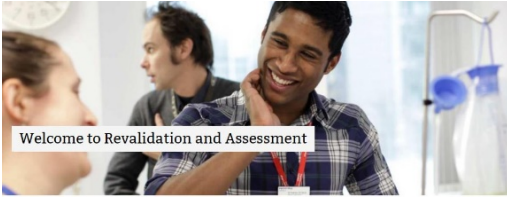

Professional Support and Well-being Service (PSW)

The PSW would like to take this opportunity to welcome trainees to contact us directly for initial impartial advice as well as highlight our availability to attend Workshops, STC meetings or trainee inductions to raise awareness of the support we offer.
