

Working as a Clinician in the UK Webinar

4 external CPD points

We are working with NHS England, East of England to provide this webinar, and this course is open to all SAS and LED doctors ONLY from this region.

Introduction

This highly interactive and practical programme will enable doctors who are new to the UK to learn about the governance of the NHS and to gain confidence about working in the United Kingdom. The course involves short input sessions, interspersed with group breakout sessions, lively quizzes and time for discussion and questions.

Additionally, the course is supported by the following optional e-learning programmes: Never Events; Action Planning and Clinical Audit; Patient and Staff Safety; Complaint Management; Appraisal.
